

Pilot Belgium

Origin students (30)			
<ul style="list-style-type: none"> - Employees municipality - Police - Immigration affairs and - Supervisors 			
User friendliness			
<i>Good</i>		29	<i>Can be improved</i>
<i>1</i>			
Remarks:	<ul style="list-style-type: none"> - Judgment of some questions on the screen were difficult - Text and explanation clear and well organized - One can find back everything quiet easy and in your own speed - Additional column on the edge of the screen (for example beneath the browser window) where you are displaying where the student is in the training 		
Construction			
<i>Good</i>		30	<i>Can be improved</i>
<i>0</i>			
Remarks:	<ul style="list-style-type: none"> - Logical – easy and simple to follow - Clear construction and good to follow 		
Texts			
<i>Good</i>		27	<i>Can be improved</i>
<i>3</i>			
Remarks:	<ul style="list-style-type: none"> - Very good short and understandable texts 		
Level			
<i>Good</i>		27	<i>Can be improved</i>
<i>3</i>			
Remarks:	<ul style="list-style-type: none"> - Add links to websites for example of Governments were you can find direct specific information about the authenticity of a specific country (is of course more relevant for back office) - Even more samples (extra, were you can browse optional) - Even more samples - Good packet that touches everything without making it to complex 		
Effect in practice			
<i>Good</i>		28	<i>Can be improved</i>
<i>2</i>			
Remarks:	<ul style="list-style-type: none"> - Is very useful for reception were people have to report themselves - This training can be utilized directly - The training can be used to refresh your knowledge (additional tests taken after for example 3 months, 6 months and 1 year) 		
Plenary remarks			
Remarks:	<ul style="list-style-type: none"> - Good training directly usable - Very good structure and compact formulated texts - Clear structure - Learned very much in very limited time - In some cases it can be considered to present images via short movies, for example OVD's and security treat
